**Response To The Official Communication Dated January 23, 2003**

Sir:

In the official communication dated January 23, 2003, the Examiner alleges that Applicants' reply filed on November 26, 2002 (Paper No. 9) is not fully responsive. Specifically, the Examiner states that added claims 30-31 depend from claim 29, yet there is no claim 29 pending as Applicants have referenced. The Examiner further states that Applicants referenced a preliminary amendment filed on June 22, 2001, yet there is no record of such preliminary amendment.
